DECISION NO. 78616

On October 26, 2021, Halcyon Acres Water Users Association (“HAWUA”) filed an application with the Arizona Corporation Commission (“Commission”) for a rate increase. At its Open Meeting on June 28, 2022, the Commission approved a rate increase effective for all services rendered on and after July 1, 2022, per Decision No. 78616.

The recently approved rates will increase the typical residential bill using a 1-inch meter with median usage of 9, 845 gallons per month from \$12.35 to \$38.05, for an increase of \$25.70, or 208.10 percent.

This Decision also approved a monthly Infrastructure Surcharge of \$30.58 per customer to enable HAWUA to complete \$149,836 of capital projects over the next five years. With the approved Infrastructure Surcharge, the same customers will see an increase of \$56.28, or 455.7 percent, for a total bill of \$68.63. The Infrastructure Surcharge will replace the monthly Assessment Fee of \$25 that was charged prior to this mechanism allowing for replacement of aging infrastructure.
