Wild Flower Well Members,

This is to inform you that Kevin Lee Degnan will be taking over as President/CEO of Wild Flower Water Co-op starting August 17, 2025. The contact information for Kevin is in the letter head.

My four-year term has been interesting. It has been an honor to be your president for the last four years. We have accomplished a lot getting Wild Flower Water Co-op on a solid footing. Now we must look to the future and be proactive not reactive. Kevin is the man to lead us into our next endeavor. I have worked with him the last year, training him for the position and introducing him to all the contacts he may need. He is more than qualified to be the President/CEO. We have become close friends, and I will support him. I ask all members to support him as you have support me. Service before self.

Now I would like to say goodbye to everyone. I will be around; I have met most of you and consider friends. Thank you for everything.

David Carr

Your friend and neighbor!!
