

Status Report 9.9.25

Due to a catastrophic storm that moved through the Meadview area, Joshua Valley Water's outage remains ongoing. The following progress has been made:

- An estimated 30% of customers have water service
- Additional crew were brought in to help restore service
- 2 mainline breaks were repaired today
- 2 more mainline breaks are scheduled for repair tomorrow

It is worth noting that as the system is brought online more breaks surface, causing water service to be intermittent.

The boil notice remains in effect until further notice.

Bottled water is available at the Meadview Community Civic Center, 247 Meadview Blvd, Meadview AZ 86444 as are porta potties and handwashing stations.

Potable water is available via standpipe courtesy of Lake Mead City Community Co-op #1 @ Well 2 (AZ0408176) located at Smith Road and Sandy Cove.

Domestic use water is available at the Meadview Fire Department.

Joshua Valley Utility would like to thank the numerous volunteers, the State, County and health officials as well as our customers in responding to this emergency.
